				See Bee fest but Dinos – 6 months apart this is the perfect time to do Dino Fest which is close to where I think John would like to land, I think he would love for us to tell him how we can help him grow. Pita performs at Hawks and Reed. Brad's Place offers Dino Nuggets lunch special, Cartelli T-Rex sized sale, Bronto-burgers at Denny's, Dinosaur Jr. Listening party at John Doe Records, Dinowalk with Historic Society, Innovation Center has Land of the Lost party, Garden does free show of the land before time, Fossil Find scavenger hunt to get bodies in local business winners get Dinner for four at Tito's or Mesa Verde. Rec. department does Yum Yums with Yoshi (breakfast with costumed characters from Super Mario Brothers – animated Movie hits in December. Etc.	Here we can build some currier and lves nostalgia for greenfield, we get people from all over talking about what they love about greenfield. GCTV works on this with videos from people all over the world Penn Jillette in Vegas, Kevin Duda from NYC, Travis Ledoyt from Nashville, Kathreen Merrigan from D.C. etc. We run snippets of the ads on social media all month long. We ask them to all end with I wish I was home in Greenfield for the Holidays or I will be Home in Greenfield for the Holidays, Please shop Greenfield.
