Showcase your businesses located in Greenfield or doing business in Greenfield! Put your business' brand front-and-center to local audiences! This is a great way to meet one-on-one, make new contacts, and build new business relationships. The Greenfield Business Showcase is an easy, time-efficient, and budget-friendly way to share your products, services, and staff with the Greenfield community!

The Greenfield Business Association is inviting businesses to exhibit at the event:

- Bring your own table (up to 6 ft), materials to showcase your business, FREE samples of your products to share – and be sure to have enough presenters that you each can get out and see what other businesses have to offer, too. Tents are suggested for outside exhibitors (up to 10x10 ft). We do not supply tents.
- Pop-up banners, table drapes, posters, flyers, and FREE swag items are welcome
- As a benefit, GBA Member businesses table for FREE; \$25 for Non-Member businesses tables

Please note: space is limited, and is taken on a first-come, first-served basis. Table location is determined by the order that the applications are received by the GBA.

The Greenfield Business Showcase is free and open to the public, features music, and alcohol for purchase on the premises.
